SAVANNAH GUIDES

Protectors and Interpreters of the Outback

"Indigenous Rangers and Tour Guides"

Savannah Guides invites you to our next Savannah Guides Field School in **Burketown**, on the Gulf of Carpentaria approximately 926km west of Cairns. This 3½ day workshop will focus on insights the **Gangalidda Garawa Rangers** provide on the ecology, conservation and interpretation of this special landscape. Established in 1859, Burketown is the Gulf's oldest town with rich cultural and historical stories. We will explore this vast region on foot, by bus and by boat discovering its diversity. Local field trips will explore **Australia's largest salt pans**, the **Tarrant East Asian Bird Flyway Site**, and we'll explore the heavens in a unique stargazing tour. Meet the region's **Traditional Owners**, and keep your eye out for **Morning Glory Clouds**, a unique natural phenomenon.

WHO ARE SAVANNAH GUIDES?

Savannah Guides Limited develops the skills and careers of tour guides. We are a non-profit, member based network of Tour Guides and Operators working with our partners to be "Protectors and Interpreters of the Outback". Savannah Guides Limited began in 1988 and has won numerous tourism awards for training and tourism services. Our activities build sustainable tourism businesses for regional community benefit, expand career opportunities for Tour Guides and enhance visitor experiences. Our members include accredited guides and enterprises as well as "Friends" who assist in our Mission or just have a good time with like-minded people. For more details visit www.savannah-guides.com.au.

WHAT IS A SAVANNAH GUIDES FIELD SCHOOL?

A Savannah Guides "Field School" is not a course with assessment or a qualification. It's simply our name for professional development workshops, held at various locations across Northern Australia at least twice each year. Field Schools are a part of our Tour Guide accreditation process, although most participants come for the open knowledge and skill sharing, networking with ecotourism and community leaders and enjoying a fascinating part of the country in more detail. The majority of Field School activities are held outdoors, in the field.

WHO CAN ATTEND?

Members and non-members are very welcome. Field Schools are a great opportunity for any Tour Guide, tourism industry member, government or community representative or nature lover to gain a real insight into quality tourism operation. Our participants will include tourism businesses and organisations, tour guides, environmental specialists, traditional owners, local government representatives and land managers. The professional development opportunity provided at these Field Schools is unparalleled and the renowned Savannah Guides camaraderie is often the basis for valuable ongoing business and personal relationships. Build your network links with Savannah Guides.

FIELD SCHOOL PROGRAM OVERVIEW

We'll have some rare opportunities at this Savannah Guides Field School, including the Gangalidda Garawa Rangers' tour operation, Yagurli Tours' experiences across the landscape and on the Albert River. We'll showcase Indigenous tourism achievements and a range of guiding skills. Burketown's clear skies invite our study of the stars at an unforgettable stargazing site and we'll be watching for potential Morning Glory rolling cloud formations in the early mornings – it's that time of year! There will be a special focus on the region's birdlife with experts on hand and the Savannah Guides' partnership with Queensland Parks and Wildlife Service (QPWS) will be celebrated. Indicative Program contents are below:
